

Full-time Office Leases

~Offices and Reception Area

We match our leases to your needs. With flexibility in the number of offices leased we can tailor the area needed to your requirements. Reception and waiting areas are established. Minimal set up costs as office fit out including internal data and phone cabling exists.

There are two Full Time Office Lease options available.

- Individual Room
- Package Plan

Office Lease Includes:

- 1 year lease with the right of renewal for 5 years. Negotiable.
- All offices have natural lighting and individual air conditioners.
- Comfortable, family friendly waiting area with public male, female and disabled toilets.
- External building signage.
- Reception and Administration support by negotiation.
- Use of shared staff amenities including fully equipped kitchen and bathroom facilities.
- Outgoings (electricity, water, rates, cleaning costs) calculated as a percentage of area occupied, and billed separate to rental charges.
- Very accessible with off street parking for staff and customers.
- Fit out complete; central data and phone cabling and the ability to manage external phone and fax connections
